11th Sunday in Ordinary Time

This Sunday reminds us of God's love and His call to be His people, and teaches that God acts first. He saves, forgives, and heals. Our part is to respond with trust and love. The covenant at Sinai, the sacrifice of Christ, and the mission of the disciples all show how God draws His people close.

We are invited to see our role in God's plan. We are chosen, loved, and sent out to serve. God calls us to share freely the gifts we have received. This is the work of His people in every time and place.

Reflection Questions:

- *Why is humility important in recognizing God's blessings?*
- *How can I practice gratitude in my daily life?*
- *What does the Eucharist mean to me personally?*

Mission Needs a Home: Heating and Cooling System Project Update

Thanks to your generosity and commitment to our parish, work on our new heating and cooling system will begin on Monday, June 15, with completion expected by the end of August.

Four months ago, we reflected on the idea that “mission needs a home — and we are the stewards of both.” Next week, that stewardship becomes visible as construction begins on a project that will serve our parish for many years to come.

Our existing heating and cooling system has served us faithfully for nearly thirty years and has reached the end of its useful life. The new system will help ensure that Our Lady of Sorrows remains a welcoming, comfortable, and accessible place of worship, prayer, formation, and community.

Thanks to your generosity, we have already raised approximately 74% of the funds needed for this \$1,120,000 project. We are deeply grateful for the remarkable support we have received through the monthly maintenance collection, special gifts, online donations, and prayerful encouragement. This strong response reflects the love parishioners have for their parish home and confidence in its future.

During construction, there will be no air conditioning in the church. Temporary fans will be available to help keep the church as comfortable as possible. Most of the work will take place in the parish hall, so disruption in the church should be minimal. Please note that the parish hall and downstairs washrooms will be closed during construction. Portable washrooms will be available in the piazza on the Cliveden Avenue side of the church.

Thank you for your patience, understanding, and continued support as we care for our parish home and prepare it to serve future generations. Those wishing to support the project may continue to donate online via bit.ly/4aCsFG9 or use the TipTap Pay stand in the foyer, or pick up a Heating and Cooling System Project donation envelope at the church entrances.
